### Nagaike-mitsuke-bashi Bridge

A bridge on the pond in Nagaike Park. Yotsuya-mitsuke-bashi Bridge, which had been familiar as a bridge retaining vestiges of the civilization and enlightenment was moved to here.

### Renshoji Park

A park of Renshoji Temple spreading the hills at the back of the temple. You can have a panoramic view of this course as you ascend to the observatory.

### Eirinji Temple

Major temple of the Soto sect of Buddhism established by Oishi Sadahisa in the Sengoku period. The remains of Yukijo Castle form the backdrop to the site.
